

Dear Rider

---

## Halesowen A & CC – 2010 Dudley Grand Prix Track Meeting

---

At signing on you will be asked to indicate which events you intend to ride. This is to help us manage the programme effectively such as splitting or amalgamating races.

Signing on times have been staggered to prevent huge queues forming before the start of racing

Saturday 10<sup>th</sup> July

Seniors Ladies Junors	9.45 to 10.45
Youths	10.15 to 11.00
Freewheelers	12.30 to 13.30

Sunday 11th July

Seniors Ladies Junors	9.45 to 10.45
Youths	11.45 to 12.30
Freewheelers	10.15 to 11.00

The track will be open for warming up from 10.15am on both days. Racing starts at 11.00am

Subject to sufficient rider numbers and time, we aim to split at least one race each day, for example:- on Saturday a Vets and Ladies race, and on Sunday a Masters race.

If this is your first time visiting HACC then we are easy to find. Leave the M5 at Junction 3 and head for Kidderminster on the A456. In ¼ mile you will pass through a set of traffic lights, the entrance to the track is a further 500m on your left in the dip at the bottom of the hill. Take it easy or you will pass the entrance. We look forward to seeing you over this coming weekend
